

KLOEPFEL 4PL SOLUTIONS

Kloeppfel 4PL Solutions reduces your logistics costs by >10% with business process outsourcing and freight procurement optimization – 100% success-based

About us

Kloeppfel 4PL Solutions GmbH is a neutral and independent “Fourth-Party-Logistics” service provider without any own assets, that can provide its clients customized and individualized “best-in-class” solutions for their logistics processes. From a logistics potential analysis, to success-based consultancy and typical outsourcing of logistics (business process outsourcing/BPO), Kloeppfel 4PL Solutions can sustainably increase your company’s value with both strategical and operational services. Logistics costs can be verifiably reduced by >10%, and with the help of BPO and efficient logistics management systems, quality can also be significantly improved.

Our service portfolio

- Analysis of logistics optimization potentials
- Procurement of freight and logistics services
- Centralization and outsourcing of operational transport logistics and intralogistics (Business Process Outsourcing)
- Establishment of cross-customer synergies
- Network and center-of-gravity analysis
- Optimization of operational and strategic transport and intralogistics
- Optimization of packaging logistics and packaging services
- Comprehensive consultancy and operational management of customs and foreign trade activities

Your benefit

- Management and planning of the supply chain
- Reduction of logistics costs
 - Transport logistics (inbound and outbound)
 - Production supply
 - Production disposal
 - Warehousing
 - Packaging
- Increase of service levels
- Establishment of 100% transparency (track and trace, costs, etc.)
- Optimization of processes
- Creation of an efficient logistics organization
- Implementation of a “state-of-the-art”-logistics management system
- Legal compliant actions with optimized costs

We do not only highlight logistics cost saving potentials, but we do implement them sustainably with you!
